A complete package for your Huahine vacation : A fully furnished villa near the lagoon (2 or 3 bedrooms) with a terrace, a garden, a new 5 door car, and a motor boat on our private pier.

French Polynesia : Where paradise is not just folklore !

...how you want it, when you want it...

Imagine taking your vacation at your own pace...relax and unwind on the terrace of YOUR very own villa, let your children and friends play in the garden without disturbing your solitude (or your neighbour's!). Light up your outdoor bbq and enjoy a fresh grilled dinner.

But, what do you do for lunch? Take YOUR very own car into town and visit the local fish vendors, the fruit and vegetable markets, or one of the many restaurants on the island.

Do you want to spend time on the water, whether romantic, athletic, or familial? Take a siesta under the clouds and coconut trees and take advantage of YOUR very own boat. You can tour the bay and lagoons and visit the uninhabited beaches of the white sand "motus". Or, get your surfboard and see how you measure up against the waves just off the lagoon at Fare.
